**11. Maintenance and repair.**

Member Secretary intimated that maintenance and repair of both buildings of Tribal Bhawan, Dhalli, Shimla is being carried out by the HPPWD. It was decided that the maintenance of building may be carried out as deposit work from HPPWD.

**12. Revision of existing tariffs in view of higher rate of electricity/water charges etc.**

Member Secretary of the Society submitted that presently one Manager, one Clerk and 3 Class-IV have been deployed by the Tribal Dev. Deptt. HP for the management, maintaining accounts/account books/receipt books/cash book/ledger/store and stock, housekeeping and other official work of the Tribal Bhawan, Dhalli. The pay and allowances etc. of above staff is being drawn by the Department from treasury as heretofore. The maintenance of Tribal Bhawan is also being carried out by the HPPWD as per past practice. Due to these reasons the Society was able to save Rs. 15,00,000/- approximately in the financial year 2010-2011 for the betterment of Society.

He further intimated that due to shortage of staff at Tribal Bhawan, Dhalli the Society is being outsourcing manpower for housekeeping work etc. for smooth functioning of Tribal Bhawan. Moreover, tariffs of water electricity etc. have also been increased by the concerned institutions. In view of position explained above it will be difficult for the Society to bear such more burden at its own. Whereas, monthly income of Tribal Bhawan, Dhalli is Rs. 1,50,000/- approximately. So, in view of above position, Member Secretary placed a draft for revision of existing rates of Halls/rooms/dormitories of Tribal Bhawan, Dhalli.

After detailed discussions in the matter, for the betterment of Society, existing rates were unanimously re-fixed by all the members of General Body as per detail given below. These rates shall take effect from the date of issue of these proceedings:-
