Subject:- Reservation in appointment to the Class-III and Class-IV Services in District Cadre posts in the Scheduled Areas.

Sir,

The matter regarding adequate representation to the local Scheduled Tribe and Scheduled Caste members of the Scheduled Areas in District cadre posts was under consideration of the State Government. In the Scheduled Areas of the State i.e. Districts of Kinnaur and Lahaul & Spiti and Pangi & Bharmour Sub-divisions of Chamba District, the average local scheduled tribes population is 69.27% and the average local Scheduled Caste population is 17.90%. The Scheduled Tribes population ranges from about 57% in Kinnaur District to about 85% in Pangi Sub-division of Chamba District and similarly the population of local Scheduled Castes in the Scheduled Areas ranges from about 7% in Lahaul & Spiti District to about 26% in Kinnaur district. There is no OBC population in the Scheduled Areas.

2. The vertical reservation prescribed in the State of Himachal Pradesh for appointment to the Class-III and Class-IV services by direct recruitment is 5% for Scheduled Tribes, 22% for Scheduled Castes and 18% for OBCs which is applicable to the District Cadre posts in Scheduled Areas also. Hence, the present reservation policy does not provide opportunities for adequate representation to the local Scheduled Tribe communities in the District Cadre posts.

3. Though, as per the 9 Judges bench judgement of the Hon'ble Supreme Court in Indra Sawhney case, reservation contemplated in clause 4 of Article 16 should not exceed 50% but at the same time the Hon'ble Supreme Court in the same judgement in Indra Sawhney case has clearly taken a view that while 50% shall be the rule, it is necessary not to put out of consideration certain extra ordinary situations inherent in the great diversity of this country and the people. It might happen that in far flung and remote areas, the population inhabiting those remote areas might, on account of their being out of the main stream of National Life and in view of conditions peculiar to and Characteristic of them need to be treated in a different way, some relaxation in this strict rule may become imperative.

4. These areas have been scheduled in the Constitution keeping in view the remoteness, backwardness, and special cultural characteristics of people living in these areas. For economic development of these areas, Integrated Tribal Development Project (ITDP) concept has been introduced so as to raise their level of development at par with the

Main stream population. However, the population in the scheduled areas still remain backward in terms of literacy, incomes etc. Their access to institutional infrastructures also is limited due to geographical constraints, lack of adequate and appropriate personnel in health and educational institutions etc. The existing reservation policy is not only contrary to demographic composition in the scheduled areas but is also contrary to the spirit of providing a mechanism to ensure adequate representation to these people in the Government services, thereby depriving them of the opportunities in Government services.

5. Now, therefore, the State Government has decided to provide reservations to the local Scheduled Tribes and Scheduled Castes candidates in the Scheduled Areas of HP as early as possible in proportion to their population and accordingly prescribe the reservation in the District Cadre posts in Class-III and Class-IV grade/services to each category as under:-

(i) Kinnaur District:

60% reservation in the posts for local Scheduled Tribes and 25% of the posts for local Scheduled Caste candidates.

(ii) Lahual & Spiti :

78% reservation in the posts for local Scheduled Tribes and 7% of the posts for local Scheduled Castes candidates.

(iii) Pangi Sub-division of Chamba District:

75% reservations in the posts sanctioned for Pangi Sub-division borne on District Cadre posts for local Scheduled Tribes and 10% of such posts for local Scheduled Castes candidates.

(iv) Bharmour Sub-division of Chamba District:

72% reservation in the sanctioned posts for Bharmour Sub-division borne on District Cadre for local Scheduled Tribes and 13% of such posts to the local Scheduled Castes candidates.

6. The local members of Scheduled Caste and Scheduled Tribes of such Scheduled Areas will not be eligible to avail reservation in District Cadre posts in the other Districts outside the Scheduled Areas. The local Scheduled Castes and Scheduled Tribes members of Pangi and Bharmour Sub-divisions of Chamba District will not be eligible to avail reservation in District Cadre posts even within Chamba District against the posts sanctioned for non-Scheduled Area of Chamba District.

7. The above instructions may be followed with immediate effect.

8. Horizontal reservations for various categories like Ex-serviceman etc. as prescribed by Department of Personnel, Government of Himachal Pradesh from time to time will be applicable as such in the Scheduled Areas also.

9. This issues with concurrence of Law Department.

Yours faithfully,

Pr. Secretary (FD) to the
Government of H.P.
